

**Securicon, LLC – Joint Task Force – Global Network Operations (JTF-GNO)
Position Description**

Position Title: Sr. IA Network Defense / Cyber Security Consultant

Location: Country: United States
State: Virginia
City: Arlington

Description: Securicon, LLC is seeking qualified applicants for on-site customer support to the Joint Task Force Global Network Operations (JTF-GNO) Command located in Arlington, VA. JTF-GNO is a USSTRATCOM Component whose mission is to operate and defend the Department of Defense (DoD) Global Information Grid (GIG).

Within the JTF-GNO Network Defense Division (J34), personnel will coordinate a wide range of current CND/IA activities to include:

- Review, track, and oversee global incident handling, incident response, and NetOps CND actions and operations affecting the GIG
- Conduct in depth network traffic analysis to identify and investigate network security anomalies, incidents, and intrusions
- Develop mitigation strategies and courses of actions to address emerging cyber security threats, incidents, and vulnerabilities
- Provide technical recommendations for new CND/IA program initiatives to enhance enterprise network defense protection and monitoring capabilities
- Perform the Computer Network Defense Service Provider (CNDSP) functions of Protect, Detect, Respond IAW DODI 8530
- Coordinate the direction, employment, and compliance with DoD CND/IA policies, directions, and configuration requirements (i.e. DoDI 8500 series, CJCSM 6510, DISA STIGs, etc)
- Provide technical analysis and briefings to senior military and civilian leadership up to the FO/GO level on computer security incidents and global network defense actions

Requirements – Must Have:

- Active Top Secret / SCI Clearance
- Experience in application of Information Assurance (IA) and Computer Network Defense (CND) concepts, practices, and tools
- Strong information security/cyber security background.
- Ability to communicate complex technical and programmatic information, often in the form of verbal and visual operational updates, situation reports, and briefings.
- Self-starter with the ability to work independently.
- Strong Writing and Presentation Skills.
- Ability to work well in a team setting.

Preferred:

**Securicon, LLC – Joint Task Force – Global Network Operations (JTF-GNO)
Position Description**

- Knowledge and experience with DoD Combatant Commands, Military Services, Agencies, and Field Activities operations and missions.
- Experience interpreting, applying and advising others on DOD IA/CND policies, guidance, and regulations.
- B.S. Degree in computer/engineering related field
- Compliance with DoD Directive 8570.01 (CISSP or IAM3/IAT3 certification)
